Charles M. Usher, Jr. Elected to MCAA Board of Directors

Illinois-based contractor brings a variety of committee experience to the table

ROCKVILLE, MD—Charles M. Usher, Jr. was elected to the Mechanical Contractors Association of America (MCAA) Board of Directors during the association's annual convention in Wailea, Maui, Hawaii, earlier this month.

Mr. Usher is the president of Ideal Heating Company, a family-owned mechanical contractor specializing in plan and spec work. The company is located in Brookfield, Illinois, a suburb of Chicago.

He is active in the association on both the national and local levels. At the national level, he is chairman of the Industry Improvement Fund Committee and served on the Management Methods Committee.

At the local level, Mr. Usher serves as chairman of the MCA of Chicago's Meetings and Events Committee and as a trustee for the Piping Education Council Trustee. He is a past chairman of the local Management Methods Committee and has served on the Investment, Government Relations, Career Development, Management Methods and Meetings and Events committees.

The Mechanical Contractors Association of America, Inc. (MCAA) serves the unique needs of approximately 2,500 firms involved in heating, air conditioning, refrigeration, plumbing, piping, and

mechanical service. We do this by providing our members with high-quality educational materials and programs to help them attain the highest level of managerial and technical expertise. MCAA includes the Mechanical Service Contractors of America, the Plumbing Contractors of America, the Manufacturer/Supplier Council, the Mechanical Contracting Education and Research Foundation and the National Certified Pipe Welding Bureau.
