Mechanical Service Contractors of America *Presents*

Dispatchers Professional Development Training Program

This updated two-day program is designed to help new or experienced dispatchers advance their careers, improve satisfaction with their jobs, understand their vital role in the company, and significantly enhance their ability to contribute to their company's success.

Dispatchers are critical to the successful operation of any HVACR and plumbing service business. As the company's primary representative with the client, the dispatcher serves as the nerve center for service scheduling, resource allocation, priority-setting, and customer satisfaction—which are all elements of great customer service.

Reach Your Full Potential

Professional dispatchers can improve company productivity by getting the most from limited service resources, building strong customer relationships, and understanding their service technicians' and service managers' needs and capabilities. Many dispatchers do not reach their full potential because they have not had the opportunity to acquire or fully develop the complex skill set needed to be effective in this role.

Enhance Job Performance and Contribution to Company Success

This program closes that gap with a comprehensive training course created specifically for service dispatchers. Custom-designed for MSCA members, this program goes beyond traditional technical training to help develop those advanced skills needed to be highly effective in the dispatcher role. By completing this program, dispatchers will be able to improve their job performance and more effectively contribute to the success of their companies.

PROGRAM OUTLINE

Module 1

The Dispatcher and the Service Organization

- ◆ The Dispatcher's Influence in the Organization
 - ◆ The Dispatcher's Impact on Profitability
-

Module 2

Working with the Rest of the Team

- ◆ A Day in the Life of a Dispatcher
 - ◆ Getting Rid of Stress
 - ◆ Personal Action Plan
-

The program was developed by a task force of MSCA contractors in partnership with Nancy Bandy, lead instructor for this program. Nancy is Managing Director of TRANSITIONS Consulting Group. She is an accomplished professional with more than 20 years of corporate training and organizational design experience. Nancy is a popular and highly acclaimed instructor for MSCA, having taught at numerous conferences, local service seminar programs, and the MSCA Sales Institute.

This highly interactive program, which includes presentations, group exercises, self-assessment tools, and discussion groups, will be held Monday, September 18 from 7:30 a.m.-4:00 p.m. and Tuesday, September 19 from 7:00 a.m.-3:00 p.m. Breakfast and lunch will be provided both days. The cost of the class is \$925 per person (member rate), and the class size is limited. The hotel is located about five minutes from Dallas/Fort Worth International Airport at 1800 Highway 26 E Grapevine, Texas 76051-9641. The cut-off date for hotel reservations is August 28, 2017. Room rates are \$169 per night for a single/double room and complimentary shuttle service to the hotel is available.
