To save Jason's life, doctors had to amputate both of his arms below the elbow. Since then, Jason has become the first double amputee to be fitted with bionic arms in the world, but maybe even more remarkably, Jason has taken his story and made it his mission to be a source of encouragement and hope to others. Jason is a 2nd generation pipefitter and member of UA Local 633 – Owensboro, KY.</i>
1:45 P.M.	KEYNOTE SPEAKER <i>Mark Breslin - The fourth generation of a blue-collar family, Mark's great-grandfather, grandfather, and step-father were all contractors. Mark started his career working in the field. Mark is noted as the number one industry speaker in the nation on change management, leadership, strategy and labor-management relations. Mark focuses on personal and organizational change, and how to inspire action to get it done right.</i>
