## We Need Your Help to Reach Our Goal of \$50,000!

MSCA has partnered with Convoy of Hope since 2010 to deliver supplies to families in need who live in cities where the association holds its annual conference. This partnership has resulted in the donation of more than \$450,000 in food, goods, labor, and equipment that benefit individuals and families nationwide.

Please help us to reach our monetary donation goal of \$50,000 to fund our Convoy activities at MSCA18, which will be held October 21-24, 2018, in Huntington Beach, CA.

### 7th Annual Children's Feeding Initiatives Packing Party

**Tuesday, October 23, 2018, Hyatt Regency Huntington Beach Resort**

Join us for our "Do Good-Feel Great!" Packing Party as we pack approximately 75,000 meals for needy children worldwide. Teams will redistribute bags of rice or beans into boxes to be shipped to thousands of kids through Convoy of Hope's Children's Feeding Initiatives.

This is an ideal way to meet fellow MSCA attendees while providing tangible help for the hungry, all in a fun, interactive environment.

# SHARE OUR SELVES

**FOUNDED IN 1970**, Share Our Selves (SOS) has grown to become a model nonprofit organization providing the highest quality comprehensive safety net services to the homeless and low-income populations in Orange County, California. With service centers throughout the community, SOS specializes in providing personalized care, including but not limited to: medical and dental services, behavioral health, case management, food, financial assistance, and special seasonal

programs. We are dedicated to addressing the social determinants of health that are a particular challenge for Orange County's most vulnerable residents. SOS's extensive experience and innovative solutions, paired with our wide-ranging services, allow us to address the systemic nature of poverty from many angles, upholding our clients' basic human rights through transformational care, and fighting for the dignity all members of our community deserve. Paramount to our mission is a deep desire and commitment to make a meaningful, measurable impact on our community and help the people we serve lead lives full of hope.

As SOS continues to broaden and expand its services to ensure comprehensive care is accessible to all those most at risk, we depend on our community to support our mission. SOS wishes to thank Convoy of Hope for its upcoming contribution. We look forward to welcoming you back!
