

An Unprotected Trench IS AN EARLY GRAVE

Extraordinary efforts to rescue two men in this trench collapse saved one man's life but one 20-year-old man died.

Trench Safety Stand Down Week
June 18-23, 2018

Trench-related fatalities continue trending up. NUCA, OSHA, and NAXSA have teamed up for our 3rd annual Trench Safety Stand Down Week, June 18-23, 2018, to educate workers and reverse this trend.

Who Should Participate

Any construction company that engages in trenching operations, plumbers, military, unions, associations, educational institutions, safety professionals, and safety equipment manufacturers.

How Companies Can Hold A Stand Down

- Hold a 20-minute Toolbox Talk
- Show an Excavation Safety Video
- Hold a Training Class

Recognition

Every company or organization that holds a TSSD will receive a certificate of participation, as well as hard hat stickers for all employees who participated. Recognition will also be given in a press release, and NUCA and NAXSA publications.

TSSD details, as well as Toolbox Talks, fact sheets, and other stand down materials can be found at nuca.com/tssd.
