May 2019

45. When an Employee is assigned to work service in Local 597 jurisdiction and when the hourly wage package per classification differs from his home local wage package then the higher wage package will prevail. All of the Employees benefits will be paid per his/her Local agreement to his/her home local. The difference in the wage package shall be paid on his/her hourly rate. The union reserves the right to verify the correct rate is being paid.

**Article XXV**  
**New Construction, Installation and Remodel of Refrigeration Systems**

*Modify Article XXV, Paragraphs 94 and 97 to read as follows:*

94. The Employer must provide 72 hours notification via e-mail prior to beginning work to the local union having jurisdiction where the work is being performed.
97. The Employer shall be permitted, for work covered by this Article, to assign a Foreman, and the Foreman will be paid the foreman rate, and the first two Employees from the Employer's regular work force, as long as the Employees have been employed by the Employer the previous 30 days and working out of the Employer's local office that will perform the work, to installation jobs within the territorial jurisdiction of another local union. The next two Employees with the required skills shall be from the local union jurisdiction where the work is being performed with one Employee at a time being assigned, as needed. Thereafter, additional Employees shall be hired on an alternating basis from the Employer's regular workforce and local union jurisdiction, to a maximum of five from the Employer's regular workforce, unless a larger number is agreed to in writing between the Employer and the local union where the work is being performed.
