

TOUGHER TOGETHER IN THE FIGHT AGAINST COVID-19

UPDATED TOOL CLEANING GUIDES

The way we work is changing, but our commitment to service isn't. DEWALT is here to support you through evolving situations, rules, and safety requirements. We have you covered with the informative materials below that will guide you through the proper way to clean and sanitize tools on the jobsite. [Watch Video Tutorial](#) | [Download PDF Instructions](#)

SAFETY THROUGH INNOVATION

Our Product Development teams are dedicated to delivering innovative solutions that prioritize safety without sacrificing performance. The DEWALT PERFORM & PROTECT™ line features products designed to contain dust, improve control, and reduce vibration. [Visit our website](#) to explore the full offering.

CONTINUING TO PROVIDE PRODUCT SERVICE

DEWALT Service Centers have implemented numerous safety measures to keep your business running. From convenient tool drop-offs to free in-bound shipping, DEWALT Service Centers will continue to responsibly support you through the COVID-19 pandemic. [Watch Video](#)

ON-GOING TRAINING

Stanley Black and Decker University remains a trusted resource for important and timely training opportunities while work-from-home mandates are enforced. If you need personalized training tailored to unique business needs, a dedicated field representative can provide virtual opportunities from anywhere. For more information, contact your local sales representative, or call 1-800-4DEWALT. [View Available Trainings](#)

TOUGHER TOGETHER IN THE FIGHT AGAINST COVID-19

HEROES IN THE AIR

Patrick Culver, a member of the DEWALT® National Sales Team in the US, is an Army Veteran with 6 years and a tour in Afghanistan under his belt. Patrick has recently re-enlisted with his Blackhawk crew to join the fight against COVID-19. [View Full Story](#)

COLLABORATING FOR THE GREATER GOOD

In collaboration with 3M and Ford®, DEWALT will supply a portable battery solution for new Powered Air-Purifying Respirators (PAPR), now being used to protect front-line healthcare professionals.
