

EVERYTHING YOU NEED TO KNOW ABOUT **ASBESTOS**

CHRYSOTILE

AMOSITE

ACTINOLITE

ANTHOPHYLLITE

ASBESTOS – WHAT YOU NEED TO KNOW PART ONE

Please join the Mechanical & Service Contractors of Eastern PA as we partner with The Mechanical Contractors Association of America for this educational series.

Adele Abrams will be joining us to talk about OSHA/EPA and contractor liability as it relates to asbestos on jobsites.

Please join us on Friday, December 11th from 12pm to 1:00 pm for the presentation and 30 minutes after for Q&A.

*Registration Link: <https://attendee.gotowebinar.com/register/654228521398592016>

Additional Information:

Adele L. Abrams focuses on occupational and mine safety and health, employment, and environmental law. [Law Office of Adele L. Abrams P.C. \(safety-law.com\)](http://www.safety-law.com)

Join us as Adele shares her expertise in liability issues, changes in the upcoming administration (Doubling down on enforcement!), asbestos legislation and the contractor responsibility as it relates to existing objective asbestos data on a job.

Part two of this series will be delivered in January 2021 by OSHA Region III Compliance Assistance Specialist, James Harrity and Region III Labor Liaison, James Touey. More information to come!

Please register today! Any questions, please contact:

Pete Chaney – Director of Safety for MCAA: pchaney@mcaa.org

OR

Michele Paxton, M.S. – Director of Safety for Binsky & Snyder, LLC and MCAA Safety Committee Member: Michele.Paxton@Binsky.com
