

NFPA 70E 2021 MCAA MSCA EXECUTIVE SUMMARY WEBCAST OF THE 2021 RULE CHANGES

Webcast Content

Join us for this 45 minute executive summary of the key changes to the NFPA 70E 2021 standard. Our instructors will also provide critical updates from OSHA on how they intend to enforce electrical and arc flash safety in 2021. This webcast is designed for safety, HR, operations management, maintenance, and any other employees at your company who have Electrical Safe Work Practices responsibilities.

QUICK, TO THE POINT

This webcast is 45 minutes. No fluff. Just the information you need in order to stay compliant in 2021 and beyond.
