

MSCA21 Everyday Hero Call for Nominations

DEADLINE FOR NOMINATIONS: August 20, 2021

Everyday Hero Award 2021

There are unsung heroes among us who do extraordinary things every day, simply out of the kindness of their hearts with a passion to make a difference for the better. MSCA has been honoring our very own everyday heroes for the past seven years. During this ongoing pandemic, so many of our employees and peers have taken their heroism to the next level and we want to continue to honor them. This has been a difficult time for everyone and we are all facing challenges we could not have dreamed of a year ago. We know many of your employees faced these uncertain times with bravery, compassion and kindness for others in their community including local hospitals, schools, nursing homes, food banks and struggling families. Let's recognize these generous and caring individuals who have stepped up when the world needed it the most by nominating them for MSCA21's Everyday Hero Award.

MSCA's 2019 Everyday Hero Award Recipient, Michelle Collier, Warwick Mechanical with Kip Bagley, 2019 MSCA Board of Managers Chair.

We need your help to find these extraordinary people!

So please take the time to nominate one or more people in your company that you believe are deserving of this honor. Don't underestimate the goodwill you get and give simply by acknowledging others.

Our hero will receive a special award, extensive recognition and will be spotlighted on MSCA.org.

Nomination Guidelines:

Nominees **MUST** be employees of MSCA member companies and can be in any role, including administrative assistants, service technicians, dispatchers, sales personnel, etc. Please note: Spouses, relatives, and friends who are not employees of an MSCA member company will not be considered.

Examples of contributions include stepping up to do hospital work that may have been risky, helping out in their community to provide food or some type of relief or maybe a dispatcher sitting all alone in the office to make sure the phones were answered and customer requests were handled.

This year's recipient will be recognized on stage at MSCA21, during the General Session on Saturday, October 16, 2021 and receive custom designed MSCA Everyday Hero Award as well as a monetary donation to their charity of choice. All nominees will be recognized during the MSCA conference and on MSCA.org as well.
