

STUDENT CHAPTER BENEFITS

The Mechanical Contractors Association of America's (MCAA) student chapter program is dedicated to helping students prepare for careers in the mechanical construction industry. When a student joins a chapter, MCAA, MCAA's local affiliate and the college or university commit to providing that student every opportunity to develop professional skills, knowledge and experiences. Additionally, when students complete their formal education, MCAA will be there as a resource for job and internship opportunities in the industry. Benefits include:

- 1** Network of **2,600** contractor member companies and **120** Manufacturer/Supplier Council members looking to hire.
- 2** Access to MCAAGreatFutures.org to post resumes & search job listings

- 3** Opportunity to compete in the annual MCAA Student Chapter Competition with the chance to win a **\$10,000** grand prize
- 4** Access to your school's local affiliated MCA who can assist with networking events, fundraisers, internships, job placement, community service projects and additional knowledge about the industry and business

- 5** Complimentary registration and nationwide networking opportunities to:
 - GreatFutures Forum
 - MCAA's Annual Convention
 - MSCA's Annual Education Conference
 - Women in the Mechanical Industry Conference
 - MEP Innovation Conference
 - Safety Directors' Conference

- 6** Eligibility to apply for **9** different scholarships, grants and awards totaling **\$36,000** annually
