

UA REGIONAL COURSE

6093: TM 202 Vertiv Thermal Management Small Systems

Course Date: October 18–20, 2022

Time: 8:00a–5:00p

Location: GLRTC; Ann Arbor, MI

Registration

This course is open to all UA members in good standing. You **must contact your local union training coordinator** in order to register for this course.

***Seating is limited**

Course Description

This course prepares the student to safely and correctly perform critical tasks required to commission, maintain, troubleshoot, and repair the current small systems (MiniMate2, MiniMate3 w/iCOM and DataMate) as well as the SRC and CMS products (SRC/CMS are instruction only—No hands-on). Homework assignments are part of the class curriculum.

This course is for the experienced Thermal Management Technician (1 to 2 years Diploma, Technical School Degree, or 6-year military HVAC/R experience, and EPA Certification) responsible for commissioning, warranty repairs, and service of Vertiv Thermal Management Small Systems.

A laptop with a USB port is required to attend this course.
