

National Safety Stand-Down Week

To Prevent Falls in Construction

MONDAY May 2

Our Partner in Safety, MILWAUKEE TOOL has several presentations all week long:

- Musculoskeletal Injuries
- Struck By
- Power Tools 101
- Hand & Arm Protection
- Slips, Trips, Falls
- Tool Tethering

Contact Justin.Azbill@MILWAUKEETOOL.com to schedule a training.

TUESDAY May 3

1:00pm EST

Tyfoom, a member of the MCAA Manufacturer/Supplier Council, will be hosting a webinar on how your organization can deliver accessible, easily-retained and relevant safety training and improve communication to your on-the-go workforce helping to build a safety culture that is more productive, more efficient and incident-free. This webinar will be at 1:00pm EST.

To sign up for this presentation, scan the QR code.

WEDNESDAY May 4

12:00pm EST

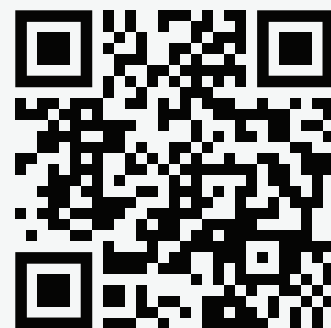

12:00pm PST

We've teamed up with industry leader, Little Giant Ladder, to host two exclusive training experiences in their state-of-the-art virtual training studio. These 30-minute events will cover injury prevention and ladder safety in a way you haven't seen before.

Scan the QR codes above to sign up for one of these presentations.

THURSDAY May 5

ClickSafety and MCAA have teamed up to offer MCAA members exclusive access to a printable infographic on Health & Safety to be released on Thursday, May 5th.

Additionally, MCAA members can receive a discount on OSHA training through ClickSafety, by emailing raffi@mcaa.org for the discount code.

Visit the [ClickSafety website](https://www.clicksafety.com) by scanning the QR code to learn more.

FRIDAY May 6

As construction-related claims become more frequent and expensive than ever before, new trends have emerged in the types and causes of losses. Our partner in safety, CNA, offers solutions for top claims in general liability, workers compensation, and auto. Have questions? Email Shawn Egan at shawn.egan@cna.com.
