

UA REGIONAL COURSE

6070: Daikin Screw Chiller Maintenance Operation and Service

Course Date: March 28–29, 2023

Time: 8:00a–5:00p

Location: Daikin Applied Training Center

207 Laurel Hill Rd.

Verona, VA 24482

Registration

This course is open to all UA members in good standing. You **must contact your local union training coordinator** in order to register for this course. Course registration fees are covered. Students are responsible for all other expenses. ***Seating is limited**

Course Description

This is a structured course to provide basic classroom instruction, demonstrations, and hands-on exercises to familiarize the student with the product features, operation, maintenance and service requirements for Daikin Screw Chiller products. The standard program for the maintenance, operation, and service seminar is four-and-one-half days of intensive training. The products covered in this seminar will be the AGS, AWS, and AWW air-cooled screw chillers, and the WGS and WWV water-cooled chiller. **PPE:** Closed-toe, leather shoes and long pants are required.

*This course includes a tour of the Daikin manufacturing facility in VA.
