

As part of MCAA's ongoing efforts to connect you with our contractor members, take advantage of MCAA's **Manufacturer/Supplier Training area** on MCAA.org.

Each M/SC member company has the opportunity – **free as a benefit of your membership in MCAA** – to add your company logo, text and a direct link to the training that you've highlighted. This information can be updated whenever there is something new to feature, as frequently as every other week, by sending new information to MCAA.

Here's a quick look at the page:

To add your company's listing, please email MCAA (news@mcaa.org):

- A short sentence or "blurb" describing the training (limit 200 characters or less). For example, "Check out our new training course on [specific piece of equipment]." The text of your description will be searchable, so be specific!
- A direct link to more information about the training.

MCAA will use the company logo already on file, unless provided with something different.

If you have any questions or suggestions, please contact MCAA. Thank you for your continued involvement and support.
