**To:** MCAA Affiliated Association Executives

**From:** Timothy J. Brink, CEO

**Subject:** **2024 National Committee Recommendations**

We have started working on national committee appointments for 2024 and we need your help in identifying additional member(s) who are willing to serve MCAA by volunteering for a national committee. Part of MCAA President Robert Beck's platform this year is to drive more engagement in our national committees. The national committee system is where we have the ability to identify potential Board of Director Candidates for future association leadership roles.

Enclosed are the MCAA/MSCA committees (along with a detailed description of each) for which appointments may be considered for 2023 as well as a committee nomination form. Please note that there are a limited number of openings on these committees, and unfortunately, we may be unable to accommodate every request to serve.

**If you have a member currently serving on an MCAA/MSCA committee (a current list of committee members is included for your reference), that is **no longer interested** in serving please let us know. Current committee members will be reviewed during the nomination process and will receive a letter indicating whether they will remain on their current committee.**

If you have questions about, or need clarification of committee activities or functions, please call Jan Grillo or me at the national office at (301) 869-5800.

**Please e-mail your recommendations to Jan Grillo at [jgrillo@mcaa.org](mailto:jgrillo@mcaa.org) no later than **November 3**.** Thank you for taking the time and effort to support our association in this fashion.
